access to the right tools and technology

national reputation for academic excellence
one of the most outstanding undergraduate colleges in the world
distinction in the discovery and transmission of knowledge and understanding
a residential community committed to diversity in its student body, faculty and staff

prepare for positions of leadership and lives of service in many fields of human endeavor

In the Nation’s Service and in the Service of All Nations
capacity for innovation and change

an appreciation of the shared destiny and common humanity of all peoples

core principles of responsibility, integrity and courage
challenged to improve the world and leave it a better place
a complex and sophisticated educational experience at a very personal level

provoke critical thinking

champion service to others
the freedom to do things right and the conscience and commitment to do the right things

clear and uncompromising pursuit of excellence
educate students who are not only leaders but also men and women for others

become a xxxx graduate and change the world
fosters the intellectual and character development

the place where knowledge touches lives

you learn -- working to sharpen your mind and soften your heart --
because you want to be a "woman or man for others"

knowledge touching lives

a place where you not only can talk about the meaning of life -- maybe you can find it, too
