Tonight was the first Circle K meeting with your new 2005-2006 board. There was basically a lot of information given for the end of the year.

First of all, we are having the end of the year picnic on study day, May 4th. It will be at 2:30. Bring Frisbees, baseball gloves or anything fun to play. Also, bring a snack to share.

Also, we are seeing the Mentalist this Saturday @ 7:45 in the student center. It should be fun so come and join us!

We need final number for CLE. If you are on the list and can’t go please let me know ASAP. Also, we want rough numbers for LSSP and ICON. Let me know if you are interested in either one of those events.
