We had a great meeting tonight. It was wonderful to see so many people. We started off CKI 101 with a presentation from International Trustee Jenny Kelly. She spoke about the various levels of the organization (Club, District and International). She focused in on the International level. She talked about the Service Initiative, the Key to College program, the Kiwanis Career Contact program and the Tomorrow Fund. If you were unable to make it to CKI 101, check out the link under membership (coming soon) on the Bradley Circle K website. http://www.bradley.edu/campusorg/circlek/

Other than that we just have a couple reports. Nicole mentioned upcoming service. Also, if anyone is having problems with the emails (if you are getting two or you know someone not receiving them), let me know. Amanda mentioned we will be giving (and matching) all the happy/sad can money to the Katrina relief during the month of Oct. She is also collecting dues. We would like all dues by Oct. 18th if possible.

Questions? Concerns? Let me know.
