Tonight was the second week of CKI 101! We had Matt Hall (our Lt. Governor for our division) and Renee Pingolt (events chair) speak to us about the District level of Circle K. They mostly spoke about our District, which is the Illinois-Eastern Iowa District (or I-I). Check out the I-I District website at icirclek.org. They talked about the district board positions, spastic paralysis, Leadership Training Conference and Holiday Embrace.

As far as new business, Nicole gathered a whole bunch of social ideas from the group and went over upcoming events.

Jen explained the pen pal program, which is where one Circle K’er will write to one grade school student. We will write the letters during the meetings and we will give you service credit. There are 20 grade school students and so far we have 16 Circle K’ers interested in this program.

Shack-a-thon is next Wednesday and Thursday from Sept. 28-29. For those of you who don’t know what it is, we donate money to Habitat for Humanity and then we build a shack in the quad (along with several other organizations) and we stay out there for 24 hours. We are supposed to have one person on the quad at all times. It is a lot of fun. It is coming up soon so let me know if you are interested.

Questions? Concerns? Let me know. Upcoming events are posted below. The time shown is the time you should be at the student center! You should also receive a reminder about the event if your name was on the sign-up list.

UPCOMING EVENTS:
***Ghost Stories – Friday Sept. 23 @ 7:40pm
***Return to Hogwarts – Sat. Sept. 24 @ 3:40-6:30
