SHACK-A-THON
We will be setting up a Shack and we will stay for 24 hours (Wed. at noon to Thurs. at noon). We did not pass around a sign up so everyone stop by and spend some time in the shack. It will be fun. Also, keep track of your hours and make sure to email them to me by THIS Saturday.

T-SHIRT DESIGN CONTEST
We are going to get new t-shirts this year (hopefully before LTC). The t-shirts will be free as long as you have paid your dues. We want you to design them! Bring the designs to the meeting next week. The design winner will receive a free welcome kit, which is $22 of food!

REPORTS
Laura – We will now have a coordinator for each event. The coordinator will get a 1/2 hour of service for performing their responsibilities, which are emailing a reminder to all the members on the list, explain how the event went at the next meeting and send me a list of the members that attended and the number of hours that you spend at the event.

Amanda - Turn you dues into Amanda. Ask your parents for the money when you go home for fall break!

Nicole – Upcoming service.

CKI 101
Limestone Key club came and spoke with us about their club and their events. It was great to see various levels of the Kiwanis Family!
