¹Federal regulations require universities to make student consumer information available to prospective and current students concerning: financial assistance information; institutional programs and policies; graduation rates; safety programs, policies, and crime statistics; athletic program participation rates and financial support data; and rights under Family Education Rights and Privacy Act. This information may be obtained by requesting the *Student-Right-to-Know and Campus Security Act Compliance Report* from Bradley University's Office of University Relations at (309) 677-3164. Safety information and crime statistics are available online at www.bradley.edu/police/
