\*FTE of actual full-time teaching faculty in the colleges. One FTE is someone with full-time commitment to teaching/advising/research/service in his/her academic department. Someone released for administrative duties (associate dean, director of honors) is counted as the appropriate fraction of an FTE.

FTE of part-time is computed by adding the number of SSH taught by part-time faculty in the fall divided by 12; i.e., 12 SSH of instruction equals 1 FTE.

## HEADCOUNT OF FULL-TIME TEACHING FACULTY

Department, college and university total headcount faculty by race and gender. Unlike FTE faculty, a person reduced for administrative duties is counted as one person in the department for this report.

Race and gender are self-reported at time of employment

To avoid "double counting" we have modified the totals so that those persons counted in two depts are eliminated.

The revised totals are below. We will not double count WMS or African American Studies; count the individual in HIS, WMS or AAS only
